Find out how to download, .Calling for the Demented.. So as I write this.. is there any way you can help me out in my deranged fantasy of someone finding this and believing it to be legit. If someone could decipher all this (which is very easy) and understand it, could you then call me and help me in any way you can? or someone else.. I would be very grateful It may interest you to know that I used to be the sort of man who would not be seen dead in the basement. And if there is one place to spot a creep, it's a basement. The basement is where the creeps hide. The basement is where the monsters roam. And if a basement is where the monsters hide, well, they don't call them basement monsters for no reason.. It makes sense, with the dirt and the spiders and the mold and the drool and the fear. It's a dark and suffocating place. Maybe that's why the monsters built the monsters. Just 6d1f23a050
